**Attachments:** Additional information on EPA's building RG evaluation

Stuart –

I sent the table summarizing the ORNL results to the Navy in a separate email (attached). I'll get comments on the ACE report this week.

Hi Wayne, did you have the comments ready for the ACE paper? Also, did you pass on the ORNL analysis to the Navy?

Angeles

Thanks for sending the HPS radiological consultation evaluation. Would you be able to share evaluation results from the ACOE Radiation Safety Support Team and Oak Ridge National Laboratory? Also, is this specific for HPS as we also have a pending radiological building evaluation at Concord? Thanks again for sending.

Regards

Lawrence

Derek –

The attached letter provides the results of EPA's review of the Navy's evaluation of Radiological Building Remediation Goals for the Hunters Point Naval Shipyard Site. Please call or email with any questions.
